Add-ons (pick only what you need)

Add-on	Price	For plan
Reports	₹15,000	Basic
Skip/pause rules, delivery window, notification settings	₹10,000	Basic
Customer portal	₹35,000	Basic, Standard
Audit log (admin view)	₹10,000	Basic, Standard
5 extra team logins	₹5,000	Basic, Standard
50 extra active customers	₹5,000	Basic, Standard

Start small and grow: you can **upgrade any time and pay only the difference** in plan price. Add-ons you already paid for are credited.

Annual maintenance

Covers bug fixes, security updates, backups and monitoring. Optional, but updates and support stop without it.

Plan	Per year
Basic	₹6,000
Standard	₹8,000
Premium	₹10,000

Delivery timeline

Data migration and project setup take **about one month** from the date the advance payment is received and your data is shared with us.

Not included

- Server and domain cost, paid by you directly (about ₹500–1,500 per month for hosting)
- New features beyond the chosen plan: ₹1,000 per hour or a fixed quote

Payment and licence terms

- 50% advance, 50% on go-live
- Licensed for use at your business only; resale and redistribution are not permitted
- Deployment and updates are managed by us, with maintenance access to your server

Which plan should I choose?

- **Basic:** a small mess (up to 50 customers) that runs deliveries and payments
- **Standard:** most messes. Cheaper than Basic plus add-ons
- **Premium:** everything unlimited. Cheaper than Standard plus add-ons
